- **The mission of Bloomfield Hills Schools is to enable learners to become architects of their futures, building on a foundation of scholarship, citizenship, service and integrity.**
- Bloomfield Hills Schools offers the academic, athletic, fine arts and co-curricular opportunities that inspire children, as well as the state's very best faculty members who possess excellent academic credentials and a passion for teaching.
- Students access many learning choices in a safe environment, including numerous high school Advanced Placement classes and Model High School; seven world languages, including Spanish in all elementary schools; customized instruction to challenge every student in the district; a comprehensive fine arts program; and a nature center, farm, and waterfront to enhance classroom experiences.
- Enrollment is open to residents, and to non-residents at competitive tuition rates.
