

P.R.E.P. PROGRAM

A post-secondary special education program at Bloomfield Hills Schools

MISSION STATEMENT

Through the commitment of our staff and the support of our families, the District and local businesses, the Bloomfield Hills Schools P.R.E.P. program is dedicated to helping each student become a **P**repared, **R**esponsible, **E**mployable and **P**roductive member of the community.

ABOUT P.R.E.P.

P.R.E.P. is a post-secondary educational program operated by Bloomfield Hills Schools for BHS students. The program serves young adults ages 18 - 26 who have developmental and physical disabilities.

To transition our students from school to independent living, we offer instruction in daily living skills, domestic skills, social skills, functional academics and employment skills. We also provide community-based work training opportunities in varied settings.
