All student drivers must register all vehicles they drive to school by presenting a copy of the vehicle registration, driver's license, and a parking application. Students permitted to drive are responsible for following all parking rules.

The cost of a parking permit is \$80. ***Due to limited space, seniors will be given priority for student parking.*** It is the responsibility of students who drive to school to have a parking sticker *VISIBLY* displayed in the lower driver's side of the windshield. Parking stickers are non-transferable, including those who car pool. If a parking sticker is lost/stolen, a new one must be purchased.

Students caught driving recklessly in the parking lot may be subject to disciplinary action or temporary/permanent loss of parking permit.

Certain designated parking lots (Lots C, D and E) are for school staff, personnel, and others designated by administration. These lots **MAY NOT** be used by students at any time. Student vehicles parked in these lots may be ticketed or towed at the discretion of administration.

A student has the right to appeal a parking ticket to building administration within five days of issuance. Students that receive multiple tickets for parking violations may have their parking privileges suspended or revoked.

Students should be aware their vehicles are not protected in any way while in the parking lot, and items of value should not be left in or near the vehicle while unattended.

Based on the reasonable suspicion standard, vehicles parked on school grounds may be subject to search. Vehicles **MAY NOT** be parked or located in the bus lanes or fire lanes at **ANY TIME**.
