

As a student I will...

Be balanced. I will go to bed early enough to get a good night's rest and eat a healthy breakfast each day.

Be a curious and open minded learner.

Be committed to my learning. I will stick with my learning, even when it's difficult.

Be responsible. I will complete my home learning and turn it in on time.

Be independent. I will manage my belongings and get my DAJ signed each day.

Be principled. I will give my full attention to the instruction and directions given by my teachers.

Cooperate with and respect others. I will work with other students so that we all achieve to the best of our abilities.

Be a reflective thinker. I will do my personal best and take my time to complete my assignments thoughtfully and thoroughly.

Be an inquirer. I will ask questions, and seek help when I need it.

Be a communicator. I will share all flyers and parent letters that come home in my VIP folder.

Be respectful and show caring and kindness to others.

Show integrity. I will follow school rules, respect school property, and be a role model to others.

As a parent I will...
