

Lone Pine Elementary Book Fair Events

This year we are providing a variety of events for families to participate! There are several so please see these as options and not obligations! Attend one, all or simply peek at your student's wish list and send \$ to school for classroom shopping! We are always happy to see you but we realize some of these events occur during the workday.

*** **Lunch with Loved Ones** is an event that allows a student to invite a parent, family member or neighbor to school. The adult guest can bring lunch for the student, eat lunch with the student and shop at the book fair! Students & guests can still buy lunch at school or bring a lunch from home as well! Subway tends to get very busy so plan ahead time-wise! *Due to allergies, please only bring lunch for your own child.*
