

Support Lone Pine When You Shop

Do you shop at Kroger? Each time you shop, Kroger will donate to Lone Pine Elementary through your Community Rewards Card. It's an easy way to help Lone Pine, and it doesn't cost you a penny!

New to the program? You will be prompted to register your Kroger card into the program and then you can designate Lone Pine as your non-profit organization by following the directions below.

- To enroll online, simply go to www.krogercommunityrewards.com
- Click "sign in"
- Enter your email and password
- Click "enroll now"
- Put in "Lone Pine"
- Check Lone Pine's name
- Click "enroll"

Once completed, your card is enrolled and Lone Pine will receive a percentage of your total purchases during May 1st 2016 to April 30th 2017. *(Each April 1 you will need to re-enroll to continue supporting Lone Pine Elementary)*

If you are currently supporting another organization, follow the instructions above to change your designated organization.

If you need help with enrolling, call 1-800-KROGERS for customer service.

THANKS FOR SUPPORTING Lone Pine! Every little donation helps, and your participation is greatly appreciated.
