**Location:** 11745 Rosa Parks Blvd, Detroit, MI 48206

This year we are excited to partner with **Cass Community Social Services** for our **Make a Difference Day** project! This Detroit-based agency works across the city in areas of concentrated poverty providing programs for food, health services, housing, financial education, and job programs. Our project will provide a meaningful opportunity for kids to have a very hands on component to community service.
