\*Public Comment

*\*Public Comment is intended to provide residents, students and staff members of the District an opportunity to address the Board of Education. Those who wish to do so are asked to complete a Public Comment Request Card. In the interest of fairness, the Board will announce a speaker time limit based upon the number of cards submitted and available time. Public Comment is a time for individuals to share their thoughts with the Board and is not a time for dialogue with the Board.*
