

**BOARD OF EDUCATION
GOALS 2016-17**

STUDENTS

- Work with administration to develop and implement processes/initiatives that optimize outcomes for all learners, regardless of race, ethnicity or socioeconomic status.
- Support superintendent in his work to implement culturally competent practices and addressing opportunity/achievement gaps.

COMMUNITY

- Support administration in all efforts in regards to Global Champions, DAERR, and other community groups.
- Commit to developing and scheduling appropriate time to continue, as a whole board, deeper learning around important educational concepts and practices that impact BHSD.
- Support the superintendent as he works to increase the district's leadership capacities on any educational issues.
- Work closely with the superintendent to implement the new MASB (Michigan Association of School Boards) superintendent evaluation tool.

FINANCIAL STEWARDSHIP

- Work closely with administration in monitoring the current year and projected budgets.
- Follow through on Master Property Planning efforts.
