

Dear Families,

The Athletic Trainer, John Ciecko, would like to welcome you to the new school year. In this day and age, where there is a lot of concern with concussions and when an athlete should return to play, we want to inform that **there is no return to a sport until there is a full return to the classroom.** To ensure that each student is receiving the appropriate amount of school work upon returning from a concussion, the Athletics Department has initiated a *Classroom Concussion Assessment Form*. Should your child return to school with an academic restriction note, this new form will be given to them and their teachers as a means to address and to track the symptoms of students with concussions during each class and subsequently, to assist the teacher in making accommodations.

Please feel free to contact John Ciecko at 248.341.5661 or JCiecko@bloomfield.org with any questions.

Thank you,

John Ciecko
BHHS Athletic Trainer
