## **2019 Financial Aid Application Guidelines**

Summer Camp Programs at Bowers School Farm strive to provide immersive and meaningful farm-based experiences to all, regardless of income level. Summer Camp Programs are available for youth ages 3-14 years old. Through the Friends of Bowers Farm non-profit and other generous donations, partial scholarships will be awarded to families who meet the Financial Aid Guidelines.

### **Scholarship Awards**

Scholarships are limited and applications will be reviewed on a first-come, first-served basis until all funds have been distributed. The farm will be offering half-scholarships and for the Summer of 2019, this value comes to be \$163 - \$210 to cover the cost a a single, weeklong camp session.. Scholarships cover only the cost of camp tuition and do not extend to covering before-care or after-care programming nor the transportation costs to and from camp.

### **Financial Aid Guidelines**

The Financial Aid Committee determines eligibility for financial aid through a review of an individual's or family's income documentation, school data, and other criteria.

- Applicants must complete the application.
- Applicants are asked to send a copy of their tax forms via US mail or drop off in person.
- Aid amounts vary depending upon the cost of the program and the family's income level.
- Available funding is limited and financial aid will cover up to 50% of camp tuition.
- Submitting a financial aid application does not guarantee receipt of aid.
- Financial aid may be applied for up to 2 weeks of summer camp.
- Financial aid may be applied for multiple children within a family.
- Information provided on the financial aid application is reviewed by a financial aid committee, kept confidential, and will be kept on file for one year.
- If financial aid is received, the remaining balance will be required upon registration.
