Disposal of Surplus Items

Periodically the District posts information on the Public Surplus Auction website located at [www.publicsurplus.com](http://www.publicsurplus.com) for the sale of surplus supplies and equipment. This information is open to the public.

In order to bid on any of the open auctions, you will need to register on the site. Once registered go to the "Browse Auctions within area" field and click on "Select Region." In the drop down window choose "Michigan," then click on "Select Agency" and choose "Bloomfield Hills Schools." Once done click on "View All Auctions" to be taken to the list of surplus items available.

Note that the variety of items offered will vary greatly between individual sales. All items offered are “AS IS” with “NO WARRANTIES” either expressed or implied.
