

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact the Benefits Coordinator at sdare@bloomfield.org or 248-341-5431

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Bloomfield Hills School District	(EIN): 38-6003046
7273 Wing Lake Road	248-341-5431
Bloomfield Hills	MI 48301

Who can we contact at this job? Sarah Dare or Karen Healy	
Phone number: 248-341-5431 or 248-341-5432	Email address: sdare@bloomfield.org or khealy@bloomfield.org

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to: Teachers, Administrators, Interpreters, Interveners, Clerical, Program Aides, Bus Aides, Instructional Assistants, ParaEducators, Job Coaches, AFSCME, and Technicians.
- We also offer coverage to eligible dependents. Eligible dependents are an employee's son, daughter, stepson, stepdaughter, adopted child, child placed for adoption or foster child, up to their 26th birthday
- We offer a medical plan that meets the minimum value standard, and the cost of this coverage is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process.

Government announces delays

On July 2, 2013, the federal government announced that there will be a one-year delay in requiring employer groups with 50 or more full-time equivalents to provide health coverage to their employees or receive a penalty.

Further, the IRS is making the coverage reporting requirements that apply to any provider of minimum essential coverage and that apply to applicable large employers voluntary in 2014 with intent to make them mandatory in 2015. The remaining ACA provisions are still applicable to coverage that is offered.

¹An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

Electronic Information Access and Use Policy

A major goal of the Bloomfield Hills School District is to prepare today's students and staff for life in the 21st century and to insure a technologically literate citizenry and a globally competitive work force. It is the policy of the district's Board of Education to provide students, staff, volunteers and other authorized users access to the district's technology resources, including its computers and network resources, in a manner that encourages responsible use.

The District encourages and strongly promotes the use of electronic information technologies in educational endeavors. The District provides access to information resources in a variety of electronic formats and for the development of information management skills, including the skill of discerning the validity and value of such information. Together, these allow learners to access current and relevant resources, provide the opportunity to communicate in a technologically rich environment, and assist them to become responsible, self-directed, life-long learners.

The District, however, expects the staff and students to conform to ethical and legal standards in the use of technology and to demonstrate knowledge and responsibility in the use of resources, processes and systems of technology. All users of Bloomfield Hills Schools technology will comply with the terms of Regulation 6710.1 which governs the use of such technology.

It is also the policy of the Board to comply with the Children's Internet Protection Act (CIPA). As required by CIPA, the Board directs the district's administration to monitor minors' online activities and use technology protection measures to block adult and minors' access to visual depictions that are obscene, that constitute child pornography or that are "harmful to minors" when using district computers with Internet access. The term "harmful to minors" means any picture, image, graphic image file or other visual depiction that (1) taken as whole and with respect to minors, appeals to a prurient interest in nudity, sex or excretion; (2) depicts, describes or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and (3) taken as a whole, lacks serious literary, artistic, political or scientific value as to minors. The technology protection measures may be disabled by an authorized staff member, during adult use, to enable access to bona fide research or for other lawful purposes. Furthermore, the district will:

1. Educate minors about appropriate online behavior, including interacting with other people on social networking websites and in chat rooms and cyberbullying awareness and response.
2. Restrict minors' access to materials that are inappropriate for minors.
3. Prohibit unauthorized access, including so-called "hacking," and other unlawful activities by minors online.
4. Prohibit the unauthorized disclosure, use and dissemination or personal identification information regarding minors.
5. Encourage the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communication.

Auxiliary Service Work Rules

The development of work rules is necessary in situations where there are large numbers of people employed. These work rules have been established to insure that all employees understand and follow the same general rules. It is further understood that these rules are in addition to departmental rules already established.

These rules will be applied on a discretionary basis with management reserving the right to consider each and any situation on its individual merits as it concerns established departmental or general guidelines defined below.

General Regulations

Change of Address/Telephone; Reporting Absences; Voluntary Quit

Change of Address or Telephone: The employee shall keep the district informed of his/her current address and phone number. Any change of address or phone number must be immediately reported to the Human Resources department and the employee's own department.

Reporting Absences: When absence is unexpected, as in the case of sickness or injury, the employee is required to personally and immediately contact his/her department office and indicate when he/she will return to work. This contact shall be made on a timely basis, within guidelines established by each department. When an employee is absent with an illness more than five days, the employee must contact the Benefits Department in order to meet all requirements for return to work.

Voluntary Quit: An employee who fails to report for work for three (3) successive working days without properly notifying the district, unless a reason acceptable to management personnel for such absence is submitted, will be considered to have voluntarily terminated his/her employment.

Safety and First Aid

Safety Rules and Practices: Safety rules and common safety practices must be followed to protect the safety of the district's employees and other persons.

Work Related Accidents and Injuries: In the event an employee is injured in a work related accident or receives a work related injury, the employee must follow the procedures outlined below:

- Immediately report the injury/accident to the supervisor. If the supervisor is not available the injury/accident should be reported to another supervisor or to the benefits coordinator in the Human Resources office.
- An *Employee Accident Report* form must be completed in its entirety and requires the employee's signature in his/her own handwriting. Following completion, the form is to be submitted to the employee's supervisor within five (5) working days following the injury/accident.
- If medical treatment is needed, authorization for treatment must be obtained from the Human Resources office. The employee must then report to the authorized district medical clinic:

EMCURA Immediate Care
4050 West Maple Road, Suite 101
Bloomfield Township, MI 48301
248.885.8211

- The initial treatment and follow-up exams must be obtained at the authorized district medical clinic for the first ten (10) days following the injury/accident. If, during the first ten days, treatment is obtained from a health care provider other than the authorized medical clinic, the employee may be responsible for any charges incurred.
- If Bloomfield Urgent Medical Care is closed or emergency treatment is necessary, treatment shall be received at:

Emergency
St. Joseph Mercy Hospital
44405 Woodward Ave
Pontiac, MI 48341
248.858.3000

- All billings related to the injury/accident are to be sent directly to:

Benefits Coordinator
Bloomfield Hills Schools
Booth Center
7273 Wing Lake Road
Bloomfield Hills, MI 48301
248.341.5431

- Employee must have his/her health care provider complete the *Physician's Release to Return to Work* form, indicating the diagnosis, current treatment, follow-up treatment and length of time the employee is expected to be off.

- Workers' compensation benefits will be paid according to the state of Michigan Workers' Disability Compensation Act and the master agreement between the bargaining unit and the Bloomfield Hills Schools Board of Education.
- Employee injuries are to be treated in a serious manner regardless of observable severity. The above procedures are to be followed in a prompt manner following the injury accident.

Maintaining Licensing Requirements for Assigned Jobs

Employee must maintain any licensing requirements for his/her assigned job. In addition, any employee who drives district vehicles as part of his/her job must maintain a driving record satisfactory to the school district. Any employee with six (6) or more points on his/her driving record, as maintained by the Michigan Secretary of State, will be presumed not to have a satisfactory driving record. If an employee receives six (6) points or more on his/her record, the employee shall immediately inform his/her supervisor. The employee's ability to drive district vehicles will then be assessed by the district.

Work Rules

These rules governing personal conduct are intended to promote the orderly and efficient cooperation of the district as well as to protect the rights of all employees. The disciplinary rules contained in this section are meant to give a general outline of what conduct is prohibited and will not be tolerated by the district. This list of the prohibited conduct is for illustration purposes only; other types of conduct that may jeopardize the personal safety, security or welfare of the district or its employees may also be prohibited.

Welcome

General Public Schools recognizes the important role professional development plays in equipping our teaching staff with all the tools, knowledge and skills needed in today's challenging learning environment.

This professional development management system (PDMS) allows you to access your professional development plan at times and places that are most convenient for your schedule. And, it allows you to build and review your portfolio of professional development in real time.

Purpose
The KALPA system is a web-based program used by teachers and administrators to record and track all the professional development activities you attend for any given school year. The system will also maintain a history of your PD record. General Public Schools is requiring all professional staff to record their professional development hours using the KALPA system.

Key Terms

Registered: Refers to recording on the KALPA system any PD activity you plan to attend (i.e. catalog course, or Special Request such as a workshop, state conference, etc.)

Pending: This is an item that is awaiting approval from your building administrator and/or the curriculum department. Once approved, the status will change to **Registered**.

Taken: Your confirmation of your attendance of the PD activity(s) you attended. It is highly recommended that you validate your attendance within 48 hours of taking the class.

Validation Number: Indicates your attendance will be validated by the Curriculum department using the sign in sheets from the event.

Catalog Courses and Special Requests
The Instructional Support Department offers many PD opportunities for our staff. Generally speaking, when a PD activity is for 3 or more teachers, we will create a Course Description and include the course in our catalog. An example of courses you would find here would be the August in-service sessions, or training offered by a fellow teacher, which has been approved for PD.

The bulletin board or news page is a way for Kalpa administrators in your district to distribute information to you. The bulletin board may include information about professional development, tips on using Kalpa, or links to documents and/or other websites. After you successfully log in, this will be the first page you see. Please make sure you have read the latest news before moving on to your professional development plan.

The Professional Development menu item has three sub items. The first is your professional development plan which includes all of the courses you have registered for or submitted as a special request. When you are entered into Kalpa as a user, you are assigned a set of professional development requirements by the administrator. Each requirement is displayed separately in your PD plan along with the courses you have registered for towards the completion of that requirement. You can view a description of each requirement by clicking the requirement text. The requirement header also shows you the number of hours required along with how many hours you have taken and registered for that requirement.

Each course you register for can only be applied to one requirement at a time in your plan. Just as you are assigned requirements in Kalpa, each course is also assigned requirements when it is entered into Kalpa by an administrator. You can only move a course to a different requirement when the course is marked "Taken" and the course has the requirement that you want to apply the hours to. To change the status of a course or move the course to another requirement, click the pencil to the left of the course name. You can change the status by selecting a new status from the "Status" dropdown. Your choices may be limited depending on the current status or whether the course date has passed. This is where you can cancel your registration or mark the course as taken. If you try to mark a course as taken and it is not Honor validation then you will be required to enter the validation # to receive credit. If you do not have a validation number, then the course will be validated by an administrator by sign in sheets from the session. After a course is marked taken the "Apply to" dropdown will become enabled and you can move the course hours to a different requirement. Remember, you will only see the requirements where your requirements and the courses' requirements match. You can click the course name to bring up a course detail screen which includes the validation type and the requirements that it can be applied to. To save any changes to a course in your plan click the green checkbox or cancel by clicking the red X.

Section 1527 of the Michigan State School Code requires that teachers attain at least 5 days of professional development every school year. Professional Development days equate to 6 hours. Therefore this translates into 30 Professional Development hours. (These days do not meet the time requirement for new teachers under Section 1526. New teachers must complete both.)

The background interface includes a navigation menu with "Bulletin Board", "My PD Plan", and "School Year: 2008-2009". A table on the right shows course registration details:

The Kalpa course catalog contains professional development activities provided by your school district. It can also contain activities that take place outside the school district where there are more than a handful of teachers attending. If there are only one or two teachers attending a PD activity and they want to apply the hours to their district professional development, then they must submit a special request for the activity. You can add special requests to your PD plan by clicking the “Special Request” button at the top right of your PD plan. Once you complete the special request form, the request is routed to your supervisor (and potentially your administrator) for approval. The request will immediately show up in your PD plan as “Pending”. After it is approved the status will change to “Registered”. You will receive an email from the system informing you the request was approved or denied.

After you open the special request form, you need to fill out the name, hours, date, time, and description of the activity. A common problem for Kalpa administrators is when teachers are submitting special requests for PD activities that are already in the course catalog. We have tried to solve this problem by “Suggesting” course catalog activities as you type the name of the special request you are entering. If you don’t see any relevant courses, then you can ignore the suggestions and submit your special request. If you do see the same course in the suggestions that you are trying to enter a special request for, then please click the “Register” link next to the course and do not submit the special request. Once you click the “Register” link in the suggestions list it is the same as registering for the course from the course catalog. You will see the registration in your plan once you close the request window.

Registration

The registration page has two different ways to display the available courses in the catalog. The default view is the list view. You can search the list by entering your search criteria in the text box above the list and pressing the search button. The text entered into the search textbox will search for the text you entered in the courses name, session, location, date, course id, and description. Once you have searched the list a "Clear" button will appear next to the search textbox. Press the "Clear" button to remove the search criteria. If a course is full it will appear in the list, however you will not be able to register for it. A course can be entered to allow a waiting list. If such a course appears in the list it will show up with a yellowish background and have a "Wait List" link in the register column. Once you are on the waiting list you can continue to register for courses at the same date and time. If an administrator adds you to the course from the waiting list your conflicting registration(s) will be automatically cancelled. If a course is open for registration a green "Register" link will show in the register column. If you have a conflicting registration you will receive a message showing the course in your plan that is conflicting with the course you are registering for. You can click "OK" to cancel your current registrations and continue registering for the course. Or you can click "Cancel" to not register for the course and leave your plan the way it is.

- (3) The family independence agency may develop an automated system that will allow an individual applying for child-related employment or seeking to volunteer in a capacity that would allow unsupervised access to a child for whom the individual is not a person responsible for that child's health or welfare to be listed in that system if a screening of the individual finds that he or she has not been named in a central registry case as the perpetrator of child abuse or child neglect. The automated system developed under this section shall provide for public access to the list of individuals who have been screened for the purposes of complying with this section. An automated system developed under this section shall have appropriate safeguards and procedures to ensure that information that is confidential under this act, state law, or federal law is not accessible or disclosed through that system.

suspected of being abused or neglected or exposed to or who has had contact with methamphetamine production. If the child suspected of being abused or exposed to or who has had contact with methamphetamine production is not in the physical custody of the parent or legal guardian and informing the parent or legal guardian would not endanger the child's health or welfare, the agency or the department shall inform the child's parent or legal guardian of the investigation as soon as the agency or the department discovers the identity of the child's parent or legal guardian.

- (2) In the course of its investigation, the department shall determine if the child is abused or neglected. The department shall cooperate with law enforcement officials, courts of competent jurisdiction, and appropriate state agencies providing human services in relation to preventing, identifying, and treating child abuse and neglect; shall provide, enlist, and coordinate the necessary services, directly or through the purchase of services from other agencies and professions; and shall take necessary action to prevent further abuses, to safeguard and enhance the child's welfare, and to preserve family life where possible. In the course of an investigation, at the time that a department investigator contacts an individual about whom a report has been made under this act or contacts an individual responsible for the health or welfare of a child about whom a report has been made under this act, the department investigator shall advise that individual of the department investigator's name, whom the department investigator represents, and the specific complaints or allegations made against the individual. For purposes of this subdivision and section 17, "severe physical injury" means an injury to the child that requires medical treatment or hospitalization and that seriously impairs the health or physical well-being of a child.
 - (d) Law enforcement intervention is necessary for the protection of the child, a department employee, or another person involved in the investigation.
 - (e) The alleged perpetrator of the child's injury is not a person

responsible for the child's health or welfare.

- (f) The child has been exposed to or had contact with methamphetamine production.
- (4) Law enforcement officials shall cooperate with the department in conducting investigations under subsections (1) and (3) and shall comply with sections 5 and 7. The department and law enforcement officials shall conduct investigations in compliance with the protocols adopted and implemented as required by subsection (6).
- (5) Involvement of law enforcement officials under this section does not relieve or prevent the department from proceeding with its investigation or treatment if there is reasonable cause to suspect that the child abuse or neglect was committed by a person responsible for the child's health or welfare.
- (6) In each county, the prosecuting attorney and the department shall develop and establish procedures for involving law enforcement officials as provided in this section. In each county, the prosecuting attorney and the department shall adopt and implement standard child abuse and neglect investigation and interview protocols using as a model the protocols developed by the governor's task force on children's justice as published in FIA Publication 794 (8-98) and FIA Publication 779 (8-98), or an updated version of those publications.
- (7) If there is reasonable cause to suspect that a child in the care of or under the control of a public or private agency, institution, or facility is an abused or neglected child, the agency, institution, or facility shall be investigated by an agency administratively independent of the agency, institution, or facility being investigated. If the investigation produces evidence of a violation of section 145c or sections 520b to 520g of the Michigan penal code, 1931 PA 328, MCL 750.145c and 750.520b to 750.520g, the investigating agency shall transmit a copy of the results of the investigation to the prosecuting attorney of the county in which the agency, institution, or facility is located.
- (8) A school or other institution shall cooperate with the department during an investigation of a report of child abuse or neglect. Cooperation includes allowing access to the child without parental consent if access is determined by the department to be necessary to complete the investigation or to prevent abuse or neglect of the child. However, the department shall notify the person responsible for the child's health or welfare about the department's contact with the child at the time or as soon afterward as the person can be reached. The department may delay the notice if the notice would compromise the safety of the child or child's siblings or the integrity of the investigation, but only for the time 1 of those conditions exists.

The department may also meet with the designated school staff person without the child present and share additional information the investigator determines may be shared subject to the confidentiality provisions of this act.
 - (c) Lack of cooperation by the school does not relieve or prevent the department from proceeding with its responsibilities under this act.
- (10) A child shall not be subjected to a search at a school that requires the child to remove his or her clothing to expose his buttocks or genitalia or her breasts, buttocks, or genitalia unless the department has obtained an order from a court of competent jurisdiction permitting such a search. If the access occurs within a hospital, the investigation shall be conducted so as not to interfere with the medical treatment of the child or other patients.
- (11) The department shall enter each report made under this act that is the subject of a field investigation into the CPSI system. The department shall maintain a report entered on the CPSI system as required by this subsection until the child about whom the investigation is made is 18 years old or until 10 years after the investigation is commenced, whichever is later, or, if the case is classified as a central registry case, until the department receives reliable information that the perpetrator of the abuse or neglect is dead. Unless made public as specified information released under section 7d, a report that is maintained on the CPSI system is confidential and is not subject to the disclosure requirements of the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.
- (12) After completing a field investigation and based on its results, the department shall determine in which single category, prescribed by section 8d, to classify the allegation of child abuse or neglect.
- (13) Except as provided in subsection (14), upon completion of the investigation by the local law enforcement agency or the department, the law enforcement agency or department may inform the person who made the report as to the disposition of the report.
- (14) If the person who made the report is mandated to report under section 3, upon completion of the investigation by the department, the department shall inform the person in writing as to the disposition of the case and shall include in the information at least all of the

following:

- (a) What determination the department made under subsection (12) and the rationale for that decision.
 - (b) Whether legal action was commenced and, if so, the nature of that action.
 - (c) Notification that the information being conveyed is confidential.
- (15) Information sent under subsection (14) shall not include personally identifying information for a person named in a report or record made under this act.
- (16) Unless section 5 of chapter XII of the probate code of 1939, 1939 PA 288, MCL 712.5, requires a physician to report to the department, the surrender of a newborn in compliance with chapter XII of the probate code of 1939, 1939 PA 288, MCL 712.1 to 712.20, is not reasonable cause to suspect child abuse or neglect and is not subject to the section 3 reporting requirement. This subsection does not apply to circumstances that arise on or after the date that chapter XII of the probate code of 1939, 1939 PA 288, MCL 712.1 to 712.20, is repealed. This subsection applies to a newborn whose birth is described in the born alive infant protection act and who is considered to be a newborn surrendered under the safe delivery of newborns law as provided in section 3 of chapter XII of the probate code of 1939, 1939 PA 288, MCL 712.3.
- (17) All department employees involved in investigating child abuse or child neglect cases shall be trained in the legal duties to protect the state and federal constitutional and statutory rights of children and families from the initial contact of an investigation through the time services are provided.

TAX SHELTERED ACCOUNT CARRIERS

By contractual agreement, the Bloomfield Hills School District offers employees the opportunity to participate in a Tax Sheltered Annuity (TSA) program, whereby your pay can be reduced by a deduction amount you elect, and this amount will be free from federal and state income taxes until it is withdrawn by you at a future date.

There are annual **calendar** year limitations for the maximum amount of TSA you may elect before you incur taxable income and possibly penalties. Please discuss any limitations to which you may be subject with the TSA carrier representative.

The technicalities of the TSA program and the performance of the 7 carriers we offer depends largely on your personal financial circumstances and your view of the companies. The carriers offer somewhat the same programs, but their current performance with your funds varies, which is why they are reluctant to distribute brochures or other information about their company without the opportunity to discuss them with you personally.

Accordingly, it has been our practice to provide our employees with the names of our seven carriers and their agents so you can review and evaluate their programs with them privately.

2. NOTWITHSTANDING PARAGRAPH 1 ABOVE, THE EMPLOYER ASSUMES NO RESPONSIBILITY FOR AND MAKES NO REPRESENTATION CONCERNING TREATMENT FOR FEDERAL, STATE OR LOCAL TAX PURPOSES OF AMOUNTS PAID FOR AND/OR RECEIVED UNDER ANY ANNUITY CONTRACT OR CUSTODIAL ACCOUNT PURCHASED UNDER THIS AGREEMENT. THE RESPONSIBILITY FOR COMPLYING WITH APPLICABLE STATUTORY AND PLAN REQUIREMENTS IS WITH THE ANNUITY CONTRACT SALES AGENCY OR CUSTODIAL ACCOUNT REPRESENTATIVE SELECTED BY THE EMPLOYEE TO PROVIDE AN ANNUITY CONTRACT OR CUSTODIAL ACCOUNT TO WHICH DEFERRALS WILL BE MADE UNDER THIS AGREEMENT. THE ANNUITY CONTRACT SALES AGENCY OR CUSTODIAL ACCOUNT REPRESENTATIVE WILL ASSIST THE EMPLOYEE WITH MEETING APPLICABLE REQUIREMENTS SPECIFIED IN PARAGRAPHS 4 AND 10 BASED ON THE INFORMATION SUPPLIED BY THE EMPLOYEE. IF THE EMPLOYEE HAS MORE THAN ONE ARRANGEMENT TO MAKE COMPENSATION REDUCTION AGREEMENT CONTRIBUTIONS TO AN ANNUITY CONTRACT AND/OR CUSTODIAL ACCOUNT, THE EMPLOYEE AGREES TO DISCLOSE AND INFORM EACH AFFECTED ANNUITY CONTRACT SALES AGENCY AND CUSTODIAL ACCOUNT REPRESENTATIVE OF ALL OF THE RELEVANT INFORMATION. IF THE EMPLOYEE MAKES CONTRIBUTIONS DIRECTLY TO A CUSTODIAL ACCOUNT WITHOUT THE ASSISTANCE OF A CUSTODIAL ACCOUNT REPRESENTATIVE, THEN THE EMPLOYEE AGREES TO RETAIN A QUALIFIED TAX PROFESSIONAL TO ASSIST THE EMPLOYEE IN COMPLYING WITH THIS AGREEMENT. AN EMPLOYEE WHO MAKES CONTRIBUTIONS DIRECTLY TO A CUSTODIAL ACCOUNT WITHOUT THE ASSISTANCE OF A CUSTODIAL ACCOUNT REPRESENTATIVE SHALL COMPLY WITH ALL OF THE DUTIES ASSIGNED TO THE CUSTODIAL ACCOUNT REPRESENTATIVE UNDER THIS AGREEMENT.

3. Notwithstanding paragraph 1 above, the Employer shall not be obligated to pay any amount to any insurance company, Annuity Contract Sales Agency, Custodial Account Representative or custodial account if the amount then due from said Employer to the Employee is less than the dollar amount of compensation reduction set forth in Paragraph 1, nor shall the Employer incur any responsibility or obligation to the Employee with respect to any annuity contract or custodial account purchased or contributed to pursuant to this Agreement other than responsibility for the transmission of funds resulting from the reduction of compensation provided for herein for the purchase of or contribution to such annuity contract or custodial account.

4. Notwithstanding paragraph 1 above, no Agreement will be accepted by the Employer unless the Annuity Contract Sales Agency or Custodial Account Representative prepares and delivers sufficient documentation (in the form approved by the Employer) to the Employer which demonstrates that the Employee is entitled to the compensation reduction (elective deferral) amount set forth in this Agreement pursuant to the provisions of Code Section 402(g) and that the total amount of contributions (including employer contributions and elective deferrals) will not cause the Code Section 415 annual addition limitations to be exceeded. The

demonstration must take into account all 403(b) plans, 401(k) plans, SEPs described in Code Section 402(b)(1)(B) and SIMPLE retirement accounts described in Code Section 408(p)(2)(A)(i). The demonstrations may take into account any special elections available to the Employee under Code Section 414(v), if applicable. Such Code §414(v) “catch-up” deferrals may be made only after any available “catch-up” deferral under Code §402(g)(7) is exhausted. If the Employee participates in any plan which permits Roth deferrals, the demonstrations must also take into account the requirements of Code §§402(g), 402A and 415(c) applicable to such deferrals. Under this Agreement, excess deferrals are prohibited. The Employee agrees that in the event that excess deferrals are made, excess deferrals and income shall be returned in the manner provided in Code Section 402(g) (or corresponding provision of future tax law). All distributions shall comply with the provisions of Treas. Reg. §1.402(g)-1(e)(2) or (3) (which provisions are hereby incorporated by reference). Excess deferrals and earnings under this Agreement which are attributable only to this Employer, shall be automatically returned to the Employee by the Annuity Contract or Custodial Account. The Employee shall designate amounts as excess deferrals which are attributable to multiple employers and/or multiple contracts.

5. No after-tax contributions will be allowed or accepted.

6. This Agreement applies only to the amounts currently available to the Employee after the effective date of the Agreement, and is legally binding and irrevocable with respect to amounts earned while the Agreement is in effect.

7. Subject to the provisions of paragraph 6 above, this Agreement shall continue to be effective for this calendar year and each subsequent calendar year until a new Agreement is executed or this Agreement is modified (subject to the provisions of paragraph 6 above) or terminated. However, the Employer may limit, reduce or terminate contributions only as required to comply with Internal Revenue Code limitations.

8. The Employee retains the right to terminate the Agreement in its entirety for amounts not currently available by filing a written statement with the Employer which states that the Agreement shall be terminated.

9. Other terms and conditions of employment between the Employee and the Employer shall not be affected by this Agreement and in the event of any conflict, the terms of an Employee's contract of employment shall prevail.

10. In a separate agreement, the Annuity Contract Sales Agency or Custodial Account Representative has agreed to assist the Employee by preparing and supplying the Employee and the Employer with sufficient written demonstrations that the total amounts contributed to the Employee's tax sheltered annuit(ies) will not exceed the limitations set forth in Code Sections 402(g) and 415 (or corresponding provisions of future tax laws). Copies of such demonstrations shall be filed with the Employer. The demonstrations may take into account any special elections available to the Employee under Code Section 414(v).

11. For purposes of Code Sections 414(v) and 415, Compensation means the amount of remuneration earned by an Employee from the Employer during the most recent period of service which is includible in the Participant's gross income. Only remuneration which is earned by a Participant from the Employer during the period which precedes the taxable year by no more than five years shall be considered as "Compensation". Compensation shall not include employer-paid contributions. Compensation for 415 purposes and Compensation of Code Section 403(b) purposes shall also include elective deferrals and amounts contributed or deferred by the Employer at the election of the Employee which are not includible in the gross income of the Employee by reason of Code Sections 132(f)(4), 125 or 457. Compensation shall be limited for all purposes under the Plan by the compensation limit set forth in Code Section 401(a)(17). The compensation limit is \$200,000, as adjusted by the Commissioner for cost of living increases as reflected in Code Section 401(a)(17).

12. The Bloomfield Hills Schools Tax-Sheltered Annuity Plan (Master Document) and this Tax Sheltered Annuity or Custodial Account Purchase Agreement, the annuity contract or custodial account, any Agreement Between Bloomfield Hills Schools and the Annuity Contract Sales Agency or Custodial Account Representative, and any relevant collective bargaining agreements, shall together constitute the applicable plan documents for the Bloomfield Hills Schools Tax-Sheltered Annuity Plan. To the extent that any provision in a document is inconsistent with the Bloomfield Hills Schools Tax-Sheltered Annuity Plan (Master Document), the provisions of the Master Document are controlling.

13. The ability to make compensation reduction agreement contributions (elective deferrals) under this Agreement is available to all employees of the Bloomfield Hills Schools except for nonresident aliens and students performing services described in Code Section 3121(b)(10).. All eligible employees may participate as soon as administratively feasible after completion and filing of this Agreement and other applicable enrollment forms. All elective deferrals shall be one hundred (100%) percent vested.

14. Any annuity contract used as a funding vehicle hereunder must be nontransferable as provided in Code Section 401(g). Any custodial account used as a funding vehicle hereunder must meet the applicable requirements of Code Section 401(f)(2) and 403(b) and must provide for investment only in regulated investment company stock. The Employer reserves the right to limit funding vehicles. On and after September 25, 2007, an investment with an annuity company or custodial account sponsor under the Plan may not be exchanged for an investment with any annuity company or custodial account sponsor which is not authorized by the Employer to receive investments under the Plan.

15. Any annuity contract or custodial account used as a funding vehicle hereunder which is issued on or after September 24, 2007 may not use incidental life insurance contracts as a funding vehicle. Any annuity contract or custodial account used as a funding vehicle shall make distributions which meet the requirements of Code Section 401(a)(9) and the regulations issued thereunder. These distribution requirements shall override any distribution option in an annuity contract or custodial account which is inconsistent with Code Section 401(a)(9).

16. To the extent permitted under Section 403(b)(13) of the Code, a Participant may request a trustee-to-trustee transfer from his/her Account to a governmental defined benefit pension plan for the purchase of permissive service credit (as defined in Section 415(n)(3)(A) of the Code) under such plan, or for the purpose of a repayment to which Section 415 of the Code does not apply by reason of subsection (k)(3) thereof.

17. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a "Distributee's" election under this Plan, a "Distributee" may elect, at the time and in the manner prescribed by the Employer and Annuity Contract or Custodial Account, to have any portion of an "Eligible Rollover Distribution" paid directly to an "Eligible Retirement Plan" specified by the "Distributee" in a "Direct Rollover."

For purposes of this Section,

- (a) "Eligible Rollover Distribution" is any distribution of all or any portion of the balance to the credit of the Distributee, except that an Eligible Rollover Distribution does not include: a hardship distribution, any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Distributee or the joint lives (or joint life expectancies) of the Distributee and the Distributee's designated Beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code; and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).
- (b) "Eligible Retirement Plan" is an individual retirement account described in Section 408(a) of the Code, an individual retirement annuity described in Section 408(b) of the Code, or another 403(b) annuity plan that accepts the Distributee's Eligible Rollover Distribution. "Eligible Retirement Plan" shall also include (i) a qualified plan described in Section 401(a) of the Code; (ii) an individual retirement account to the extent permitted under section 408(d)(3)(A) of the Code, and (iii) an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan.
- (c) "Distributee" includes an Employee or former Employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse. A distributee may also include a beneficiary who, at the time of death of the Employee or former Employee, was neither the

spouse of the Employee/former Employee nor an alternate payee of the Employee/former Employee under a domestic relations order.

- (d) "Direct Rollover" is a payment by the plan to the eligible retirement plan specified by the distributee.

18. An Employee may receive distributions from his or her account held by an annuity contract or custodial account only as permitted by applicable laws. Except as specifically modified hereunder, an Employee, or if applicable a designated beneficiary, is only eligible to receive distribution from this Plan upon death, Total Disability as defined in Code Section 72(m)(7), separation from service with the Employer, attainment of age fifty-nine and one-half (59½) or upon meeting the hardship distribution requirements which are specified in the Plan. Early distribution penalties will apply to distributions due to separation from service prior to age fifty-nine and one-half (59½). Notwithstanding the foregoing, as to distributions from annuity contracts issued before January 1, 2009, a Participant may withdraw, with an early distribution penalty, any Employer contributions (which are not elective deferrals) plus earnings attributable thereto from any annuity contract which is a funding vehicle under this Plan. Such employer contributions, plus earnings, may be distributed from an annuity contract issued on or after January 1, 2009 only upon Severance From Employment, Total Disability, death or the attainment of age 55. Further, a Participant may withdraw, with an early distribution penalty, any elective deferrals and earnings attributable thereto, which were made prior to 1989 from any annuity contract which is a funding vehicle under this plan. Any such distributions shall be subject to the distribution restrictions of the affected Employee's annuity contract. In no event may any withdrawal be made from a custodial account under this Plan before the Employee attains age fifty-nine and one-half (59½), severs from employment, dies or becomes Totally Disabled except that a withdrawal for hardship as defined in the Master Document may be made from the employee's elective deferrals. A hardship distribution shall not include any income attributable to elective deferrals. Distribution from the Plan to an eligible Employee or Beneficiary shall only be made after completion and return of the necessary benefit distribution forms to the appropriate fund sponsor.

19. All loans from an annuity contract or custodial account shall comply with the requirements of Code Section 72(p) including those requirements relating to loan amounts, repayment provisions, amortization and plan aggregation.

20. As required by the final regulations under Code §403(b), the Participant shall provide such information as may reasonably be required by the Employer or its agent for the administration of the Plan, including, but not limited to, information concerning any plan loans, hardship distributions or other distributions received or requested by the employee from any annuity contract or custodial account under the Plan.

§457(b) ELIGIBLE DEFERRED COMPENSATION PLAN
PARTICIPATION AGREEMENT

In order to make deferrals from my Compensation to the trust or custodial account designated below pursuant to the Bloomfield Hills Schools §457 Eligible Deferred Compensation Plan (hereinafter "the Plan") and Section 457(b) of the Internal Revenue Code of 1986, as amended, (hereinafter "the Code") it is hereby agreed by and among _____ (Employee) and _____ (Employer) and _____ (Investment Representative), as follows:

1. Beginning _____, the compensation to be paid by the Employer to the Employee shall be reduced in the following manner:

Amount of Payroll Deferral: \$ _____ dollars per pay period, to be paid to the following investment provider designated below:

Number of pay periods in which deferral to be made: _____

Total number of Code Section 457(b) investment providers currently utilized by Employee under the Plan: _____

2. Notwithstanding Paragraph 1 above, the Employer assumes no responsibility for and makes no representation concerning treatment for federal, state or local tax purposes of amounts paid for and/or received under any investment contract to which deferrals from Compensation are made under this Agreement. The responsibility for complying with applicable statutory and plan requirements is with the Employee and the Investment Representative. The Investment Representative will assist the Employee with meeting applicable requirements by preparing the calculations specified in paragraphs 4 and 10 based on the information supplied by the Employee. If the Employee has more than one arrangement to make deferrals from his/her compensation to an investment provider under the Plan, the Employee agrees to disclose and inform each affected Investment Representative of all of the relevant information. If the Employee makes contributions directly to a trust or custodial account without the assistance of a custodial account representative, then the employee agrees to retain a qualified tax professional to assist employee in complying with this Agreement. An Employee who makes contributions directly to a trust or custodial account without the assistance of an Investment Representative shall have the duty to comply with all of the duties assigned to the Investment Representative under this Agreement.

3. Notwithstanding paragraph 1 above, the Employer shall not be obligated to pay any amount to any Investment Representative in excess of any amount then due from said Employer to the Employee, nor shall the Employer incur any responsibility or obligation to the Employee with respect to any amounts contributed pursuant to this Agreement other than responsibility for the transmission of funds resulting from the reduction of compensation provided for herein for the purchase of or contribution to such investment.

4. Notwithstanding paragraph 1 above, no Agreement will be accepted by the Employer unless the Investment Representative prepares and delivers a written calculation (in the form approved by the Employer) to the Employer which demonstrates that the Employee is entitled to the compensation reduction (elective deferral) amount set forth in this Agreement pursuant to the provisions of Code Section 457 and, that except as permitted under Code Section 414(v), the total amount of deferrals from Compensation to the Plan will not cause the Code Section 457 limitations to be exceeded. The calculation must take into account all Code Section 457(b)(3) investment providers to which the Employee has deferred Compensation under the Plan. The demonstrations may take into account any special elections available to the Employee under Code Section 414(v) if applicable. Under this Agreement, subject to the provisions of Code Section 414(v), excess deferrals are prohibited. Excess deferrals and earnings under this Agreement which are attributable only to this Employer, shall be automatically returned to the Employee by the investment provider. The Employee shall designate amounts as excess deferrals which are attributable to multiple contracts.

5. No after-tax contributions, transfers or rollovers from other qualified plans will be allowed or accepted.

6. Compensation may be deferred under this Agreement for any calendar month only if the Agreement providing for such deferral has been entered into before the beginning of such month. This Agreement is legally binding and irrevocable with respect to amounts earned while the Agreement is in effect.

7. Subject to the provisions of paragraph 6 above, this Agreement shall continue to be effective for this calendar year and each subsequent calendar year until a new Agreement is executed or this Agreement is modified (subject to the provisions of paragraph 6 above) or terminated.

8. The Employee retains the right to terminate the Agreement in its entirety for amounts not yet earned by filing a written statement with the Employer which states that the Agreement shall be terminated.

9. Other terms and conditions of employment between the Employee and the Employer shall not be affected by this Agreement and in the event of any conflict, the terms of an Employee's contract of employment shall prevail.

10. The Investment Representative agrees to assist the Employee by preparing and supplying the Employee and the Employer with written annual calculations demonstrating that the total amounts contributed to the Employee's investments under the Plan will not exceed the limitations set forth in Code Sections 457 (or corresponding provisions of future tax laws). Copies of such calculations shall be filed with the Employer. The demonstrations may take into account any special elections available to the Employee under Code Section 414(v).

11. The Bloomfield Hills Schools §457(b) Eligible Deferred Compensation Plan and this Participation Agreement, the Authorized Investment Representative Agreement, shall together constitute the applicable plan documents for the Bloomfield Hills Schools §457 Eligible Deferred Compensation Plan. To the extent that any provision in a document is inconsistent with the Bloomfield Hills Schools §457(b) Eligible Deferred Compensation Plan, the provisions of the Bloomfield Hills Schools §457(b) Eligible Deferred Compensation Plan are controlling.

12. The ability to make compensation reduction agreement contributions (elective deferrals) under this Agreement is available to all employees of the Bloomfield Hills Schools as defined in the Bloomfield Hills Schools §457(b) Eligible Deferred Compensation Plan. All eligible employees shall participate commencing with the month following the month after completion and filing of this Agreement and other applicable enrollment forms.

13. Any investment as a funding vehicle hereunder must be a trust or custodial account and must meet the requirements of Code Section 457(g). Any investment used as a funding vehicle shall make distributions which meet the requirements of Code Section 401(a)(9) and the regulations and proposed regulations issued thereunder. These distribution requirements shall override any distribution option in an investment which is inconsistent with Code Section 401(a)(9).

14. To the extent permitted under Section 457(e)(17) of the Code, a Participant may request a trustee-to-trustee transfer from his/her trust or custodial account under the Plan to a governmental defined benefit pension plan for the purchase of permissive service credit (as defined in Section 415(n)(3)(A) of the Code) under such plan, or for the purpose of a repayment to which Section 415 of the Code does not apply by reason of subsection (k)(3) thereof.

15. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a "Distributee's" election under this Plan, a "Distributee" may elect, at the

time and in the manner prescribed by the Employer and investment, to have any portion of an "Eligible Rollover Distribution" paid directly to an "Eligible Retirement Plan" specified by the "Distributee" in a "Direct Rollover".

For purposes of this Section,

- (a) "Eligible Rollover Distribution" is any distribution of all or any portion of the balance to the credit of the Distributee, except that an Eligible Rollover Distribution does not include: a hardship distribution, any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Distributee or the joint lives (or joint life expectancies) of the Distributee and the Distributee's designated Beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code; and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).
- (b) "Eligible Retirement Plan" is an individual retirement account described in Section 408(a) of the Code, or an individual retirement annuity described in Section 408(b) of the Code plan that accepts the Distributee's Eligible Rollover Distribution. "Eligible Retirement Plan" shall also include (i) an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state or any agency or instrumentality of a state or political subdivision of a state, or (ii) a qualified plan described in Section 401(a) of the Code or 403(b) annuity plan which agrees to separately account for amounts transferred into such plan from this Plan. The Employer shall not be responsible for the effect upon taxation and distribution options resulting from a rollover from the Plan to an Eligible Retirement Plan.
- (c) "Distributee" includes an Employee or former Employee. In addition, the employee's former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.
- (d) "Direct Rollover" is a payment by the plan to the eligible retirement plan specified by the distributee.

16. An Employee may receive distributions from his or her trust or custodial account only as permitted by applicable laws. Except as specifically modified hereunder, an Employee, or if applicable a designated beneficiary, is only eligible to receive distribution from this Plan upon severance from employment with the Employer, the calendar year in which the Employee attains age seventy and one half (70 ½) or upon meeting the requirements for distribution in an unforeseeable emergency which are specified in the Plan. Notwithstanding the foregoing, a Participant may withdraw assets which do not exceed the dollar limit provided under Code Section 411(a)(11)(A), provided that (1) no amount has been deferred under the plan with respect to such Employee during the 2-year period ending on the date of the distribution, and (2) there has been no prior distribution under the plan to such participant to which this subparagraph applied.. Any such distributions shall be subject to the distribution restrictions of the affected Employee's trust or custodial account. Distribution from the Plan to an eligible Employee or Beneficiary shall only be made after completion and return of the necessary benefit distribution forms to the appropriate Investment Representative(s).
