

Special Needs Services Survey

1. Have you used materials in the Bloomfield Township Public Library's Special Needs Collection? Other special needs collections?
2. What resources would you recommend that the Library have that we currently do not?
3. What would an effective program for children with special needs and their families look like to you?
4. Do you prefer attending inclusive or specially adapted programs with your special needs child?
5. Is there a day of the week that is more convenient for you to attend an activity outside of school? What time of day is best?
6. Have you attended any of BTPL's programs especially designed for children/families with special needs? (i.e. sensory story times, sensory-friendly films, parent workshops, inclusive yoga programs)
7. If offered, would you attend a specially adapted program on a weekly basis?
8. Please list any other suggestions for future programs/materials/services that would benefit children with special needs and their families at the Bloomfield Township Public Library.

(Thank you! Completed surveys can be dropped in the survey box at the Youth Services Desk.)
