Emergency School Closing Procedures

When local weather conditions are severe, please tune to one of the radio or television stations that list school closings. School closings are also available on the district website (Bloomfield.org). The decision to close school is normally made prior to 5:45a; however, in case of rapidly changing weather conditions, the decision could be made as late as 6:45a.

Program Activities

The Kidz Zone program is designed to provide children with a safe, well-supervised environment when an adult is unable to be at home. The activities will include art, quiet study and reading areas, games, outdoor and indoor play. Our center based program is play-based and encourages a relaxed environment for the child who is in school all day. A schedule of the daily activities is posted in every Kidz Zone room, and on the Kidz Zone Google Classroom.

Monthly Showcase

Each month, all of the children enrolled in our Kidz Zone program have the opportunity to participate in our art showcase. Every child receives a prize for participating. All winning entries are on display at registration office at Fox Hills.

Confidentiality Policy

To be confidential is to be entrusted with someone's personal information and not share it with others. Staff must respect families, children's and colleague's privacy. All information and documentation necessary for enrollment will only be shared with the Kidz Zone supervisor and enrollment office for verification of eligibility and state reporting only. Documentation is stored outside the classroom in a locked location. Confidentiality also includes sharing any other information regarding a child including but not limited to, all child/family information and records, private conversations with a parent, or developmental information. The supervisor may discuss confidential information with other staff only if they need to know the information to complete their job responsibilities. Employees should never discuss confidential information with anyone other than employees of Bloomfield Hills Schools. Confidential information should not be removed by any employee unless approved by the supervisor.

Grievance Policy

Our Kidz Zone department strives to provide a positive nurturing environment for all, however, at times, concerns may arise. If you have any concerns, please bring them to the attention of our Kidz Zone staff. If you are unable to resolve your concerns through your child's classroom, the Kidz Zone Coordinator may be contacted. We will work together with our families to arrive at a suitable resolution for all parties.

If you feel that Kidz Zone is in violation of a licensing regulation, reports may be made to the Department of Human Services.

The safety of your child is of the utmost importance to us, so identification is checked for people with whom the caregivers are not familiar. Parents/guardians and authorized pick-up persons should bring their ID's into the building **every** day. If you do not have your ID with you, please do not be offended if we ask you to go back out to the car to get it. We would never want to release a child to an unauthorized individual.
