

August 20, 2013

Dear East Hills Middle School Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for East Hills Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me for assistance.

The AER is available for you to review at <http://www.bloomfield.org/east-hills/index.aspx> or you may collect a copy from the main office at the school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has not been given one of these labels based on data taken from the 2013-2014 school year.

The school community at East Hills Middle School works with all stakeholders to identify teaching and learning priorities to decrease achievement gaps in the school while also increasing achievement for all students. As a result of this collaborative work and a focus on the unique needs and circumstances found at East Hills Middle School, student engagement and personalized learning outcomes continue to be identified as the most significant teaching and learning priorities. Moving forward, school improvement goals have been aligned with these priorities and are intentionally created to support both traditional and authentic measures of student learning. The staff and faculty at East Hills Middle School are dedicated to making the school an inclusive community where all input is welcomed and valued.

East Hills Middle School is committed to a collaborative and open Response to Intervention (RtI) model directed by the Building Instructional Team (BIT). East Hills Middle School has a strong continuum of support programming for students including special education, reading

and mathematics specialists, general education resource teachers, and para-education services. Teachers and staff participate in daily grade-level team meetings along with a range of weekly meetings to support team planning time and collaboration across the spectrum of subject areas and grade levels. Over the last three school years, East Hills has specifically strengthened general education support programming by expanding successful reading interventions developing further interventions in mathematics and other subject areas.

State law requires that we also report additional information:

- *Bloomfield Hills Schools assigns students to specific schools according to geographic boundaries and student residence. The district also has an open enrollment/transfer process for in-district students who wish to attend schools other than their assigned school.*
- *The East Hills school improvement plan is an ongoing effort to align our instructional efforts with the needs of students. Our goals for the upcoming school year include academic and school climate goals with a focus on approaches to teaching and learning that are aimed at decreasing achievement gap trends where they exist and supporting the implementation of the International Baccalaureate Middle Years Programme. East Hills has established subject-specific goals in all content areas including mathematics, reading, social studies, science, writing, and non-MEAP-Smarter Balanced tested curricular areas to ensure that all students are proficient in all areas of academic achievement. Progress toward the goals is monitored and goals are adjusted yearly.*
- *All BHS schools follow the Common Core State Standards as adopted by the Michigan Department of Education, available for viewing at <http://www.michigan.gov/mde>. District instructional administrators coordinate the efforts of K-12 subject area curriculum committees to review, evaluate, develop and write curriculum and assessments. This on-going process includes research, analysis of current practice, selection of appropriate resources, and implementation. These same curriculum committees also meet to assure that there is alignment both across the grade levels and between the grade levels. This is called horizontal and vertical articulation. Horizontal alignment assures that all students have access to the same curriculum regardless of which Bloomfield Hills' school they attend or teacher they are assigned. Vertical articulation addresses the transition between one grade or subject level to the next.*
- *In 2012-13, the District adopted the NWEA Math (K-7) and Reading (K-8) assessment. Below are Spring 2014 mean RIT (Rasch unit) scores compared to 2011 national norm RIT scores:*

MATH	5th	6th	7th	8th
EHMS	222.8	227.9	234.1	240.0
2011 National Norms	221.0	225.6	230.5	234.5
READING	5th	6th	7th	8th
EHMS	212.0	218.0	222.4	228.0
2011 National Norms	212.3	216.4	219.7	222.4

- Here are EHMS 2013-14 results of the ACT Explore Test, administered to 8th graders:

Subject	Below Standard % Students	Above Standard % Students	Tested Students
Reading	29.1	70.9	134
Science	26.12	73.88	134
Mathematics	20.15	79.85	134
English	29.1	70.9	134
Combined	20.15	79.85	134

- In 2013-2014, 88% of our students were represented by parents during our parent-teacher conferences. In 2012-2013 East Hills reported that 89% of our families attended parent-teacher conferences spanning grades 5 through 8.

As an IB World School, East Hills Middle School emphasizes rich, experiential learning to engage students and to measure student achievement. In addition, student achievement at East Hills is measured by the significant number of students involved in all aspects of student life from academics to co-curricular activities. Students grow and thrive when they are given developmentally appropriate tasks that challenge them to explore their understanding through the use of authentic learning opportunities.

We continue to be proud of the school community we are creating at East Hills. We feel that through the efforts of our students, faculty, parents, and broader school community we are providing an atmosphere of concentrated and rigorous academic study, coupled with rich experiences in the arts, athletics, and other co-curricular endeavors. Thank you for your support.

It's great to be a Cavalier!

Sincerely,

Jason Rubel
Principal, East Hills Middle School
