6. On the *Provide Apple ID Details* page keep the following information in mind before clicking the **Continue** button:
- Email
 - Your students email address is their last name followed by a period then their first name followed by the last two digits of their student ID number at bloomfield.org (for example lastname.firstname##@bloomfield.org).
 - Password
 - Try to make it something your student will be able to remember.
 - Optional Rescue Email
 - Use your personal or family email address as your rescue email address.
 - Enter your date of birth
 - Enter YOUR birthdate and NOT that of your student under 13 years old, otherwise you will be locked out of creating an Apple ID on that computer for 24 hours.
 - Would you like to receive the following via email?
 - Uncheck the two checkboxes, unless you want your student receiving spam from Apple.

The screenshot shows the 'Provide Apple ID Details' page with the following highlighted elements and instructions:

- Email:** A red box highlights the text `LN.FN##@bloomfield.org`. A red arrow points to it with the instruction: **LastName.FirstName(Last 2 Digits of Student ID #)@bloomfield.org**
- Optional Rescue Email:** A red box highlights the text `rescue@example.com`. A red arrow points to it with the instruction: **Parent/Guardian email address for recovery**
- Enter your date of birth:** A red box highlights the Month, Day, and Year dropdown menus. A red arrow points to it with the instruction: **Parent/Guardian birthdate, otherwise a birthdate under 13 years old will be denied the ability to create an account**
- Would you like to receive the following via email?:** A red box highlights the checkboxes for 'New releases and additions to the iTunes Store' and 'News, special offers, and information about related products and services from Apple'.
