

Junior Jumpstart Information sheet

On Your Own

Follow each of the steps below and if you need assistance, you'll be able to reserve a virtual appointment to get help!

Step 1

Take [this brief survey](#) to show us what you know about financial aid!

Step 2

[Watch this video presentation](#) about the tasks you'll complete today.

Step 3

Visit <http://fsaid.ed.gov> to create your FSA ID (and then help your parent create their own if necessary). Use the [FAFSA Instructional Handout](#) to record the information and file it away for the future when you complete your FAFSA.

Step 4

Visit each of the following scholarship search engine websites, create a profile and begin applying for scholarships. Set a weekly or monthly goal of how many scholarships you want to apply for and reach that goal regularly. The more applications you submit, the more college money you can earn!

- [CollegeBoard.org](#)
- [Fastweb.com](#)
- [Goodcall.com](#)
- [CareerOneStop.org](#)

Step 5

If you encountered any trouble today or need help, [reserve a virtual appointment with a financial aid professional!](#)

BONUS Activities!

- Participate in a [Virtual Financial Aid Information Webinar](#) with your family to learn about financial aid
- Reserve a [Virtual FAFSA Appointment](#) to get help completing your FAFSA in October.
- Visit [studentaid.gov](#) and log in using your newly created FSA ID. Complete college preparation activities found there!
