

AP PSYCHOLOGY STUDENTS for 2018-19:

Please visit the AP Psych summer Google classroom, called "AP Psych SUMMER (For 2018-19 school year)". Password is k8patr

Your summer homework is posted there. You're responsible for Unit I, which is only 3 modules (chapters). The reading is IN google classroom. Complete the flashcards and the graphic notes by the first day of school in September. Email me with any questions.

IF you would like access to a textbook (either a hardcover or an online version) because you would like to explore over the summer, come see Marlowe B'sheart to check one out this week. I am in B201 2nd and 4th hours, in C203 during 3rd, and 7th. 1st, 5th and 8th, I am likely in the 200C commons area. Email her at mbsheart@bloomfield.org
