

Bloomfield Hills High School

Daily Announcements

Wednesday, November 7, 2018

Are you a BHHS student-athlete? Do you have a GPA of at least 3.50? If so, please consider applying for the MHSAA Scholar-Athlete Award, which is a \$1,000 one-time scholarship awarded to deserving student-athletes in the state of Michigan. Just go to www.mhsaa.com/scholarship to see the requirements and to start the application process. The "access code" you will need to use is "MHSAA2019", and the deadline is November 30.

Please donate socks for Baldwin Center. The Bionic Black Hawks will be collecting socks for teens boys and girls at the Baldwin Center in Pontiac. Please leave your items in the box at the end of the reception desk. Thank you in advance for giving to this exceptional cause. The collection box will be there until November 11. We hope to help the Baldwin Center provide the comfort of new socks for every teen in their program. We are glad to have a community that knows the value of giving. The Bionic Black Hawks are the Bloomfield Hills High School FIRST Robotics Competition Team 2834. Thank you for supporting our cause.

Interested in joining the bowling team? Tryouts for both the girls' and boys' varsity and JV teams will be November 12, 15 and 16 at 300 Bowl in Waterford. Tryouts are open to all experience levels and your own equipment is not required to try out. Tryouts will be 3:30-5 each day. You must have an updated physical on file to try out. Any questions, please contact Coach Nicole. See you on the lanes!
