Welcome to the BHHS Women's Soccer Program's 4<sup>th</sup> Annual Golf Outing. We are pleased to host this event in an effort to raise funds for new training equipment, gear, and outside soccer trainers that will assist our teams in becoming better soccer players.

As a program, we seek to provide an environment that will foster personal growth with an emphasis on the life lessons that sports can teach.

Our goals as a program are for our players to take pride in playing for their school, their teammates, and their community; to represent the school and program in a first class manner on and off the field; and to come to practice and games focused, prepared, and ready to learn, grow, and compete at the highest level. Furthermore, we want our players to seek to grow and improve everyday with visions of competing for championships.

Thank you for your generous support of our vision to become the premier girls high school soccer program in the state of Michigan!
