Dear Eighth Grade Families,

We look forward to welcoming your child on the morning of **Friday, May 24, 2019, from 7:15 a.m. - 10:45 a.m.**, as part of the transition process to high school. Upon arrival, students will be directed to the auditorium where their orientation activities will begin.

Your student will have the opportunity to learn more about academics, athletics, and all that Bloomfield Hills High School has to offer! Eighth graders will also engage in a variety of team-building activities with our Student Leadership and Student Global Leaders throughout the morning as the first of many exciting experiences at Bloomfield Hills High School for your student.

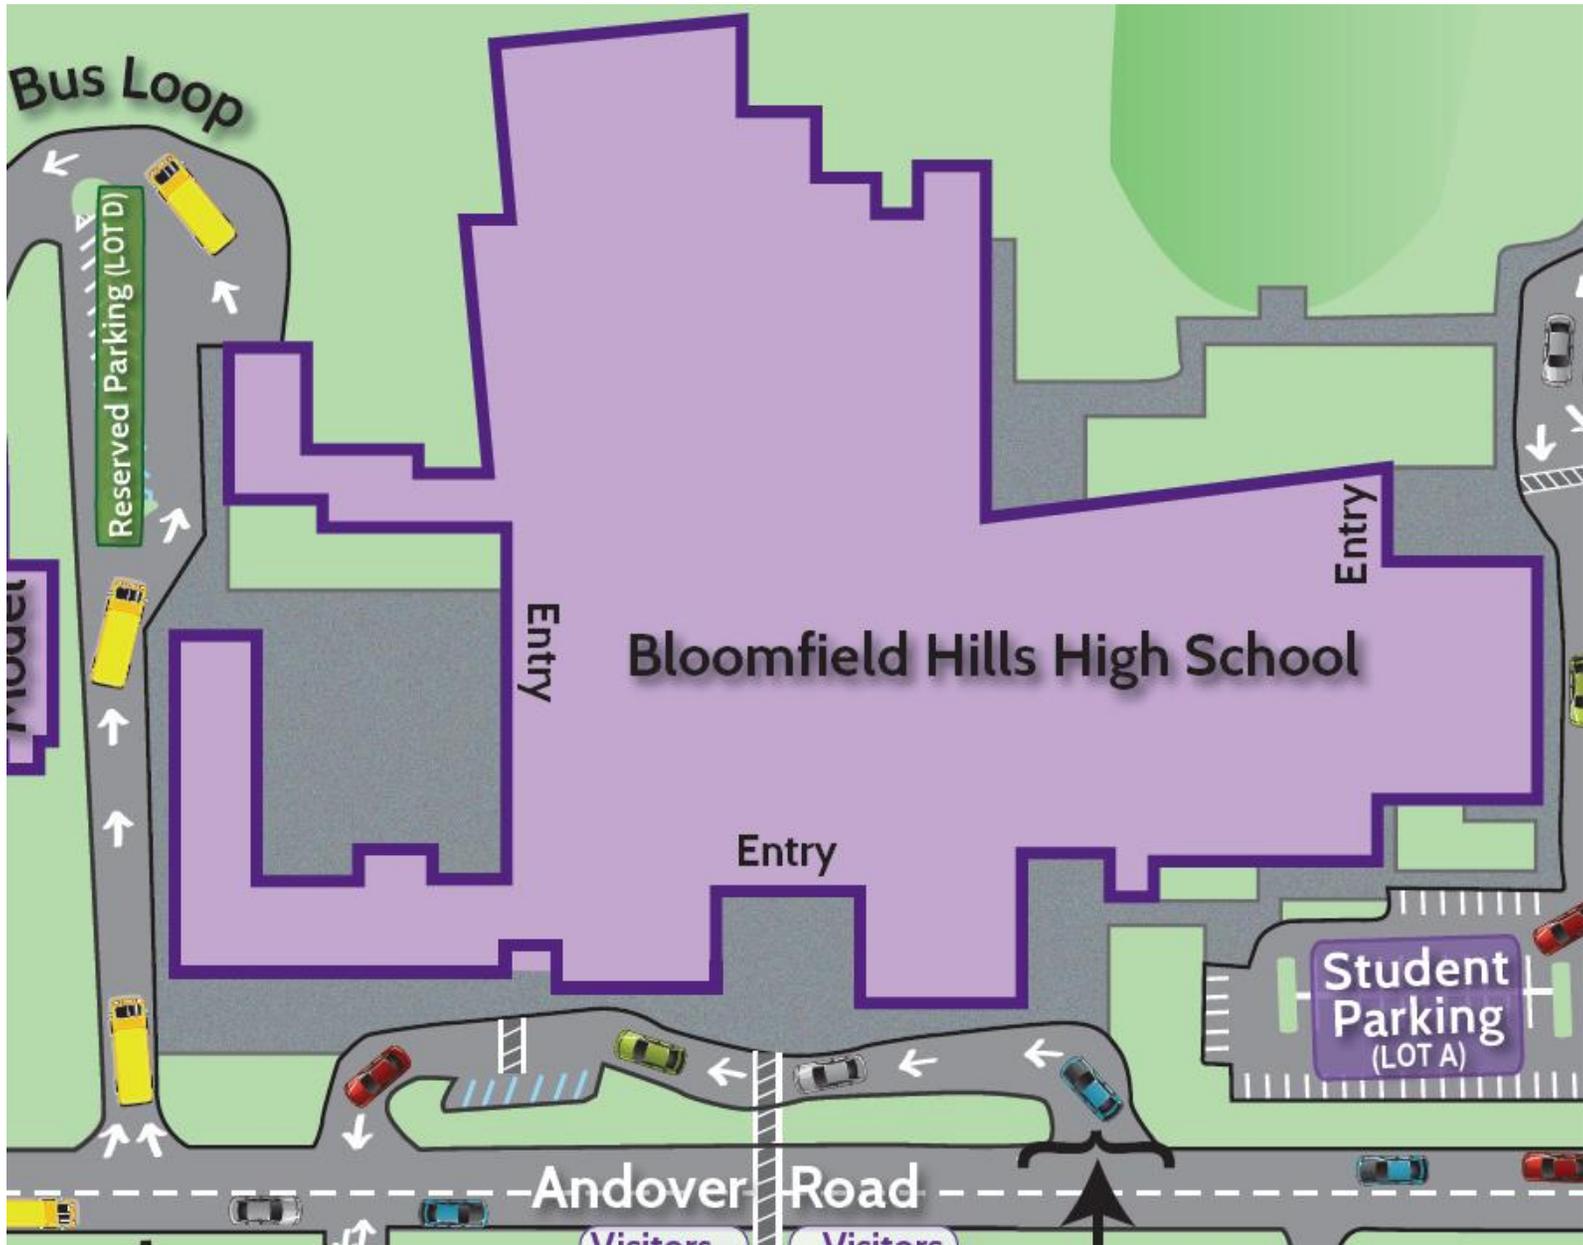

District bus transportation is provided for all BHS eighth graders to Bloomfield Hills High School for a 7:15 a.m. arrival during the regular high school pick-up schedule. If you have specific transportation related questions, please call the BHS Transportation Department at 248.341.6290. **There is no bus transportation after the orientation. Parents/guardians are responsible for student pick up from Bloomfield Hills High School at 10:45 a.m. Carpooling is strongly encouraged as there will be approximately 400 eighth grade students on site, all being picked up at the same time.** BHS eighth grade students **may not** remain at the high school, nor may they return to their middle school on this day because school is in session for current students. Students not currently enrolled in Bloomfield Hills Schools should check with their schools as to whether they must return to their respective schools at the conclusion of the orientation session.

We look forward to having your student attend Bloomfield Hills High School and hope their next four years will be filled with great joy, wonderful memories and unlimited success!

Sincerely,
