 East Hills Middle School
 To enable learners to become architects
 of their global futures.

Dear East Hills Family:

To further our mission for equity and inclusion, the East Hills Global Education Team (GET) established the Cavalier Fund in the fall of 2015. The purpose of this fund is to provide access for all students to enjoy school activities (e.g., field trips). As a school community, our desire is for all students to have these learning experiences.

The Cavalier Fund provides finances that enable all East Hills students to participate in our enrichment opportunities. The intention is to provide families with a chance to give funds to assist our students in a direct and meaningful way.

Look for upcoming forms regarding field trips, school events, and other specific enrichment activities for opportunities to donate.

See below for an example of how field trip forms are formatted to allow you to support our students' experiences.

_____ *Enclosed is an additional \$_____ to help an East Hills family in need for this field trip. Any excess contributions will be placed in the Cavalier Fund.*

We thank you for sharing in this exciting endeavor of furthering our mission of providing equity and inclusion for all students. If you have any questions regarding the Cavalier Fund or would like to specify how your funds will be directed, please feel free to contact Jason Rubel, principal, at 248.341.6205 or jrubel@bloomfield.org.
